Tony Blair and George W. Bush prosecution over Iraq blocked by judges 2017

- High court rules that there is no crime of aggression in English law under which former PM could be charged
- Legal Immunity of George W. Bush in the “Commission” of War Crimes in Iraq USA 2017.

The next US presidential election scheuled in 2020, the next scheduled general election in UK in 2022) Before you vote for a new government next time, ask first for a change in the legal system. Otherwise, it's better not to vote.
